#### PROGRAM STRATEGY RESPONSE

# Strategy Purpose

To acquire, protect, maintain, and manage Albuquerque's natural landscapes and offer opportunities for public enjoyment through outdoor education and low-impact recreation.

#### **Key Work Performed**

- Provide strategic support including; land acquisition, financial activities, policy development, contract administration and personnel management.
- Provide public education programs and events.
- Operate and reserve facilities; sell annual parking passes.
- Coordinate volunteers, service organizations and inter-agency activities.
- Improve the bosque by removing fuel load and high water consumption non-native plant species, and planting native species

## **Planned Initiatives and Accomplishments**

GOAL # 5 OBJECTIVE 10. Utilizing existing resources, open to the public the Open Space Visitors Center by December 2006.

				Why is this measure important?  Residents who visit open space facilities will see how natural resources are preserved and protected and participate in caring for and conserving them.
